

Weights, Barbells, and Specialty Bar Warranties

Our weight plates are lifetime warranted for defects in material, functionality, workmanship, and defects.

We warranty all of our barbell and specialty bars for defects in material, functionality and workmanship for a period of up to 15 years from the date of product purchase subject to the following coverages:

Bronze bushings and sealed Needle bearings: **5 year** warranty from defects in material, functionality and workmanship

Barbell Standard 2000 Powerlifting Bar: **15 year** warranty against bends and breaks (900 lb max dynamic load)

Barbell Standard 1500 Olympic Barbell: **10 year** warranty against bends and breaks (720 lb max dynamic load)

Barbell Standard 1000 Compact Barbell: **5 year** warranty against bends and breaks (630 lb max dynamic load)

Warranties apply only to the original purchaser of the product for so long as the original purchaser owns the product and is non-transferable. Warranty does not apply to barbells that have not been properly maintained.

Product warranty may be voided for any damaged due to negligent use, maintenance, storage or handling by the user and will be handled on a case-by-case basis.

Warranty against bending does not cover any bar which has been damaged due to negligent use, maintenance, storage or handling. Negligent use includes abusive dropping of the bar (e.g., excessive dropping on concrete, and similar usage)
